Mohammed Yusuf Abdul Sajid

UNDERGRADUATE STUDENT

I am a Computer Science undergraduate student,I have done a java full stack Developer course with a strong passion for frontend development. I have developed expertise in Java, HTML5, CSS, and JavaScript, which I use to design and build interactive and visually appealing websites. I enjoy transforming ideas into functional web interfaces with clean and efficient code.

My academic background has equipped me with a solid understanding of programming concepts and problem-solving skills. I am eager to continue expanding my knowledge and contribute my skills to innovative projects in the tech industry.
